THE GAME OF SELF DOMINATION

LifeUpEducationTV

Are you tired of just getting by the day, hoping for the weekend to come? Do you feel tired of just trying to stay positive knowing that deep inside you, you are not happy at all? Do you wonder why some people manage to build long term success while you can't make your motivation last long enough to succeed? Then, this book is for you.

Forget the traditional definition of success in life where you build a family, buy a house, and get a respected high paying job that does not inspire you but leaves you with tremendous stress and emptiness inside just to keep up with the status quo. Whether you want to start your own business, live in a 30-million-dollar mansion, or take a 2-month self-discovery vacation every year, this incredible book will help you discover the path to the exciting life you don't need to escape from while defining success and satisfaction by true mean in a not-overused way in the modern society.

The Game of Self-Domination is a profound and powerful guidebook about self-discovery and achieving lifelong success. Drawing on a combination of brain science, psychology, economics, business, and leadership studies, this book will arm you with the tools you need to attain fulfillment and mental transformation for achieving long term success in life. The Game of Self-Domination looks at the meaning of true success and happiness from various angles (not in overly-used ways) to discover depth in our perceptions about life and challenge the subconscious mental blocks that stop us to take action from the core.

ABOUT AUTHOR

NaNa is a self-mastery enthusiast and renowned deep thinker. She is the author of The Game of Self-Domination and the host of LifeUpEducationTV. Having built her life up from nothing multiple times—including being almost a kicked out high school student in Japan — NaNa has not only gone on to finish her University education in Business and Economics in the United States as a foreigner, but she's worked with hundreds of innovators, entrepreneurs, and next-generation thinkers in Seattle.

Despite her young age, she's helped dozens of CEOs and young start-up founders skyrocket their successes – all while building her own online businesses on the side.

Passionate about creating lifelong success and inspiring others to reach their full potential, her goal is to help people reach their dreams and master their resilience in life.
